Current Situations at all Localities

- No helpdesk in your area to address people's concern and provide awareness of the issue and make understand of the solution.
- Lack of unity between the common people, who are living in the same locality and not knowing each other.
- Not all organizations work on social issues, common man concerns to stop corruption.
- People are in a verdict that not all benefits announced by the government or any politician is reaching to them.
- There is no proper guidance for the students, proper assistance for unemployed and proper information center provides all kinds of required information to the common people.
- No one is bothered to help common man in needy and the help / assistance is limited for only few and not for all individuals.
- There is no organization which brings awareness on Human Rights, India Law, IPC Sections, CRPC Sections and other important government schemes.
- Not all the funds released by the government is utilized for the development of area, locality, village, town or city.
- Lack of good organization who demands minimum social requirement for common people comforts.
- Not all are aware of how to project the corruption happening in and around every individual.
- Lack of awareness to Lehman in this current technologically developed society.
- What bothers me is the kind of mentality currently most of the individuals are holding as a degree. Common man is suffering with this kind of attitude from the people.

- All the people who are interested to provide service to the nation and service to the country to be united to come on single platform.
- Providing awareness for common man on the Right they have as per the Law.
